3 What the treasury authorities are to have considered that the farm might be handed over to the Gardens Dept, the Municipal have decided to take it back The entire cost of the farm is at present made by the Municipal. As they consider that the farm is not well looked after by the Dept It seems proper therefore that they should be allowed to manage it themselves so as to derive proper benefit therefrom The Gardens Dept may furnish them with advice when required

5 The management of the Sewage farm by the Gardens Dept has not justified expectations The fault partly lay with the Municipal council also as it was unwilling to give the funds required for the development of the farm

6 The resolution of the Municipal Council amounts to a censure on the Gardens Dept and it is a matter for consideration if the proposal can be accepted without giving another chance to the Gardens Dept

OFFICE OF THE PRESIDENT
CITY MUNICIPAL COUNCIL, MYSORE.
Dated 5th June 1928

L 6121

From

T G RAMA IYER ESQ ,B A . ,
President City Municipal Council
MYSORE.

The Chief Secretary to the Government of
His Highness the Maharaja of Mysore,
BANGALORE.

Sir

I have the honour to state that, for the last one year, the Municipal Council have been considering the question of improving the income from the Sewage Farm The Sewage Farm was handed over by the Municipal Council to the Gardens Department on the 1st March 1924, as per G O No L 6261-3/M1 96-23-3 dated 6th February 1924 During the last three years, neither the income nor the extent of cultivation has shown any appreciable increase The cultivation of the Farm and the growing of the vegetables have been badly neglected By far, the major portion of the land available for cultivation has been lying fallow The Trust Board nursery in the Farm hardly supplies the Trust Board with the required number of plants Though there is ample provision for temporary labour, the cultivable area of the Farm has not been extended from year to year

At the meeting of the Municipal Council held on 5th November 1927 the Council resolved as follows - "That a Committee consisting of the Superintendent Government Gardens, and Messrs P Sitaramiah, D Banumiah, M Narayanaswami, P Pallonji, Mahomed Gouse Peer, M Ramaswami and the Vice President be appointed to go into the whole question in detail and submit a report as to the steps that have to be taken to make the Farm yield an appreciable profit" This Committee after going into the whole question and

P

and visiting the Farm in the presence of the Superintendent Government Gardens resolved as follows on 9th March 1928 - "After careful consideration the Sub-Committee has decided that the management of the Sewage Farm be taken back to the control of the Municipal Council from the Government Gardens Department from 1st July 1928" This resolution of the Sub-Committee along with D O letter No 2294 dated 22nd May 1928 from the Director of Horticulture in Mysore suggesting the transfer of the Farm once for all to the Gardens Department was considered at the meeting of the Municipal Council on the 26th May 1928, when they resolved as follow -

> "Resolved unanimously that in view of continued mismanagement of the Sewage Farm by the Gardens Department the management of the Sewage Farm be taken over by the Municipal Council immediately and that the Director of Horticulture be informed that his reference to the interference by Municipal member s was unfounded and uncalled for

In these circumstances, I request that Government may be pleased to sanction the proposal of the Municipal Council for assuming the management of the Sewage Farm

The President,

~~City Municipal Council, MYSORE~~

To Dir of Horticulture

I am directed to send herewith a copy of letter No Dated from the President, City Municipal Council Mysore stating that the Municipal Council have resolved to take back the management of the Sewage Farm at Mysore and asking for the approval of Govt to this arrangement. Before according sanction to the proposal, Govt desire to be informed if, in your opinion, there is any objection to the ground by keeping the Farm under the Gardens Dept for some more longer period of Co, would you kindly communicate with the President and explain your reasons, so that the Municipal Council might go further into the matter, if necessary and formulate their final recommendations

I have to return herewith the letter to the President with request

Sir,

With reference to your letter No C.T 1853 dated 6-6-1928, requesting sanction to the resolution of the Municipal Council to take back the management of the Sewage Farm from the Gardens Dept, I am directed to suggest that the Gardens department might be given a chance to manage the Farm for some time longer and sufficient funds placed at their disposal for the development of the Farm in consultation with the Director of Horticulture & Superintendent of the Gardens. The matter may therefore be kindly placed before the Council for a reconsideration of their present resolution and if they still insist upon managing the Farm themselves, the proposal may be resubmitted for orders of Government
